I think we establish those things later, so no further service is required.

Hi Ben,

Did you serve your FERC employment application per LBR Rule 2014-1:

...

(b) Terms of Employment. If the applicant desires that the order also establish the actual rate of compensation and terms of employment, then the applicant shall give notice and hearing to the Master Mailing List pursuant to LBR 2002-1 of the proposed actual rate of compensation and terms of employment.

If not, would you please re-notice it. I do not want to spend the estate's limited resources having to object on this ground. Please let me know today.

Pam
